

Total Release Fogger ~ Sanitiser and Deodoriser

SaniGuard is not just another fogging product, SaniGuard is unique, and it is the World's first "Dry on Contact" sanitiser and deodoriser. It does not mask odours; it removes them by killing the bacteria that is the source of the odour. SaniGuard is the only product of its kind that is fully validated (Independent Clinical Reports) prove that the product works on a whole host bacteria's, viruses and spores.

SaniGuard surface spray is great to use in conjunction with our total release foggers to treat hot spots such as door handles, light switches, computer keyboards, public toilet fixtures and any other inorganic surface you wish to keep totally clean.

Shake Canister Well – Hold Nozzle Away from Eyes (Spray is Dispersed Vertically)

Instructions for use in Vehicles

- To release the fogger press the actuator in until it locks, set it down and close the door. It takes about forty seconds for the canister to empty. The vehicle should remain unoccupied for a minimum of 15 minutes and a maximum of 30 minutes.
- It is best to leave the vehicle for as long as possible to allow all of the fine particles to settle and achieve maximum sanitation, while SaniGuard works almost instantly it will achieve an even greater kill and have a stronger residual effect when the product is allowed to properly settle within the vehicle. Close doors and windows.

Instructions for use in Rooms

- Place Fogger in the centre of the room about a metre off the floor
- Press Button to release sanitiser, leave the room and close the door behind you
- Leave room undisturbed for 30 minutes
- Open all the doors and windows and allow to ventilate for 15 minutes

Caution

- Pressurised container
- Protect from sunlight
- Do not expose to temperatures exceeding 50 degrees Celsius
- Do not pierce or burn even after use
- Do not spray onto a naked flame or any incandescent material

Safety Information

- Irritating to eyes
- No naked lights
- Do not breathe spray
- Use only in well ventilated areas
- Keep away from sources of ignition
- No smoking
- Keep out of reach of children
